Vehicle Located in the Rock River

On June 9, 2021 at 2:56 PM the Dodge County Sheriff's Office received a 911 call from subjects swimming in the Rock River off of the bridge on Elmwood Road in the Town of Hustisford reporting a submerged vehicle. The Hustisford Fire Department was able to deploy a watercraft in the river and was able to confirm this information.

The Beaver Dam Fire Department Dive Team was called in to assist and they were able to verify that the vehicle was unoccupied. Advanced Towing responded and pulled the vehicle from the river and it was apparent this was a discarded BMW 323. The Dodge County Sheriff's Office will be handling the investigation into how the vehicle ended up in the river.

If anyone has any further information involving this incident please call (920)386-3726.

The Dodge County Sheriff's Office was assisted on scene by Hustisford Fire/EMS, Beaver Dam Dive Team, Iron Ridge Fire Department, Neosho Fire Department, DCERT and Advanced Towing.

Questions may be directed to Sheriff Dale J. Schmidt.
